Note: All provisions set out above (except for “v”) also apply to used lubricant and brake cleaner aerosols, and the “AEROSOL Collector Return Incentive Claim Form” will be used. This form is generated directly by Progression LIVE and is also available at soghu.com, Collectors section for claims submitted in paper format.

4. General payment information

- 4.1 The Collector acknowledges and agrees that it may claim a return incentive only for designated materials recovered during the hundred (100) days preceding the date when SOGHU receives the “Collector Return Incentive Claim Form” for “Used OILS” or “Used Antifreeze” or “Used FILTERS” or “Used CONTAINERS” or “Used AEROSOLS”, as the case may be. SOGHU undertakes to disburse the return incentive within thirty (30) days of receipt of the “Collector Return Incentive Claim Form” for “Used OILS” or “Used Antifreeze” or “Used FILTERS” or “Used CONTAINERS” or “Used AEROSOLS”, as the case may be
- 4.2 **Exception to the 100 day rule:** in special circumstances that prevent the submission of return incentive claims within one hundred (100) days (the “Statutory Period”), Collectors must submit a formal request to SOGHU for an extension **within the 100-day period**, and provide a written explanation as to why the return incentive claim cannot be made within the specified 100-day deadline. SOGHU must study the extension request promptly. If SOGHU agrees to grant the extension, the Collector must first provide an interim report of its collections within the “Statutory Period”, without the bill of lading from the processor (no return incentives will therefore be paid), and second, provide the complementary report within eighty (80) days of the end of the “Statutory Period”, together with the bill of lading covering the interim report and complementary report, so that the return incentives can be paid in full.
- 4.3 **Progression LIVE:** the Collectors that wish to claim the return incentives electronically, the only electronic data collection system accepted by SOGHU is Progression LIVE. SOGHU strongly encourages the use of this electronic data collection system to reduce paperwork, risk of error in the zone calculations and transcriptions. When a Collector has fully integrated the Progression LIVE electronic data collection system, including the 3 month probation period, SOGHU will pay him an amount (see appendix IV). Administrative fees (see appendix III) will apply on claims presented to SOGHU in paper version.

Each zone includes different incentive levels; one (1) for each product (used oils, used glycols (antifreeze), containers, filters and aerosols, etc.). SOGHU, in its sole discretion, reserves the right to amend, add to or eliminate incentives and modify the zones described in Appendix II of this “Agreement”.
- 5.2 Except as stipulated herein, SOGHU undertakes not to disclose any confidential document or information received from the Collector, in compliance with the *Act respecting access to documents held by public bodies and the protection of personal information* (R.S.Q. c. A-2.1). However, SOGHU may transmit any document or information to RECYC-QUÉBEC – including the information included in its annual report and its business plan – or to the Minister or to any authorized person at the Ministère de l’Environnement et Lutte contre les changements climatiques, or when such transmission is required by law or by any judicial or quasi-judicial authority. RECYC-QUÉBEC has committed itself to SOGHU for the same obligations under the terms of the Certification Agreement.

- 6.2 In the event that the Collector gives SOGHU written notice of its intention to terminate this Agreement, it shall be deemed cancelled within sixty (60) days of the date of receipt of the notice. Upon receipt of the notice, SOGHU may request an audit of the Collector’s books and records.
- 6.3 The Collector hereby acknowledges and agrees that SOGHU may suspend or revoke the Collector’s registration if the Collector contravenes the law or the applicable regulations or the instruments set out below in subsection 7.3 and in this Agreement, or upon any false, misleading or inaccurate representation made, in particular in the application for registration or in a claim form for payment of the return incentives by SOGHU. 7.5 The Collector agrees that SOGHU will create and maintain a database of collectors registered with SOGHU, which may be consulted by RECYC-QUÉBEC, and the information it contains may be transmitted to the Minister and published in the *Gazette officielle du Québec*, in accordance with the Act.

7.6 In the event that a registration is granted and/or a payment is made by SOGHU and the information provided by the Collector is false, misleading or inaccurate, it is understood that such registration or payment was made without right or in error. Any such registration will therefore be null and void and any such payment must be promptly reimbursed to SOGHU upon discovery of the misstatement or error.

7.7 SOGHU has the right, in its sole discretion, to withhold any payment or registration application until it obtains verification or information it deems sufficient from the Collector.
