

## *Benefits of becoming a collection facility*

1. Satisfaction of participating in an environmental solution
2. Decrease of disposal at landfills
3. Increase in traffic of potential customers
4. Recognition as an environmentally conscious enterprise amongst the public
5. Additional income from the valuable materials recovered
6. Increase in volumes recovered, therefore possibility of better prices from collectors
7. Attractive poster to advertise “collection facility” with hours of operation
8. Appear on SOGHU’s web site (excellent publicity) and referred to callers
9. Registration bonus of \$ 100.00 plus taxes
10. Filter Promotion – you will receive subsidies (Ris) based on the quantity of filters collected by registered collectors of SOGHU (\$ 20/bin of 205 litres, \$ 28/bin of 240 litres and \$ 34/bin of 360 litres). You can find the details of this promotion at [www.soghu.com](http://www.soghu.com) - **\*Collection Facilities\*** section, subsection **\*Promotion on Filters\***.

A handwritten signature in blue ink, which appears to read "Jean Duchesneau".
