***** Important Notice *****

Changes to the Environmental Handling Charges on oils and oily containers

Dear Members:

During their meeting on December 6, 2019, the Board of directors of SOGHU approved a resolution to change the environmental handling charges (EHCs) on the following products:

Product	Increase	Reduction	New EHC rate
Lubricating oils		\$0.01 /litre	\$0.06/litre to \$0.05 /litre
HDPE or metal container	\$0.03/litre per capacity of the container		\$0.12/litre to \$0.15/litre per capacity of the container
Non HDPE or non metal container	\$0.15/litre per capacity of the container		\$0.20/litre to \$0.35/litre per capacity of the container

The membership agreement states in article 3.2B that a 90 days notice be given to members when a rate change occurs. **These modifications to the amount of the EHC's will be effective on April 1st, 2020.** Therefore, your remittances due on July 30th, 2020 covering the 2nd quarter will be paid with the new EHC rates.

The members of the Board, management and personnel of SOGHU thank you for your valuable collaboration and assure you that they are fully dedicated to fulfilling the organization's mission.

Jean Duchesneau
General Manager
SOGHU
