

Email sent to all oil collectors and processors on April 9, 2020

To all SOGHU registered oil processors

The past few weeks have been incredibly eventful due to the current context of world pandemic and the decrease of the price of crude oil. SOGHU is aware of the difficulties resulting from the latter and wishes to provide support to its partners during these challenging times. It is with this in mind that SOGHU's board of directors has approved to revise the "TEMPORARY AND VARIABLE INCENTIVE TO OIL PROCESSORS REGISTERED WITH SOGHU" program as per the January 9, 2020, update attached above. SOGHU is therefore happy to announce the program has been moved up to April 1, 2020 and will be revised monthly in accordance with the same scale.

The temporary and variable incentive to oil processors registered with SOGHU will be at **\$0.05/L for volumes delivered to processors effective from April 1st, 2020** and until April 30, 2020, or until further notice if the amount remains \$0.05/L after April 30, 2020.

If you have any questions regarding the revised program of the temporary and variable incentive to oil processors, please contact Jean Duchesneau via email at jean.duchesneau@soghu.ca.

SOGHU wishes you all the best for the future. Stay safe.

Things Will Get Better!
