Changes to the Environmental Handling Charge on aerosol lubricant and brake cleaner containers

Dear Members:

During their meeting on October 19, 2020, the Board of directors of SOGHU approved a resolution to change the environmental handling charge (EHC) on the following product:

Product	Increase	Reduction	New EHC rate
Aerosol lubricant and brake cleaner containers	\$0.10 per unit	-	\$0.35 per unit

The membership agreement states in article 3.2B that a 90 day notice be given to members when a rate change occurs. **This modification to the amount of the EHC will be effective on April 1, 2021.** Therefore, your remittance due on July 30, 2021 covering the 2nd quarter will be paid with the new EHC rate.

The members of the Board, management and personnel of SOGHU thank you for your valuable collaboration and assure you that they are fully dedicated to fulfilling the organization's mission.
