

## Used Oil Management Associations

**AB** Alberta Recycling Management Authority (**Alberta Recycling**)  
**BC** Used Oil Management Assoc (**BCUOMA**)  
**MB** Association for Resource Recovery Corp (**MARRC**)  
**SK** Association for Resource Recovery Corp (**SARRC**)

**QC** La Société de gestion des huiles usagées (**SOGHU**)  
**NB** Société de gestion des huiles usagées de l'Atlantique/Atlantic Used Oil Management Association (**UOMA NB**)  
**PE** Société de gestion des huiles usagées de l'Atlantique/Atlantic Used Oil Management Association (**UOMA PE**)

**NL** Société de gestion des huiles usagées de l'Atlantique/Atlantic Used Oil Management Association (**UOMA NL**)  
**NS** Société de gestion des huiles usagées de l'Atlantique/Atlantic Used Oil Management Association (**UOMA NS**)

## Environmental Handling Charges (EHC)

### Applicable Products List and Rates Schedule

#### EHC Applicable Products List

*All **Oil Fluid** and **Oil Container** (for container sizes of 50 litres or less in BC, MB, SK, QC, NB, PE, NL and NS and 30 litres or less in AB)*

Fluid is EHC applicable since it is not consumed in use and is available for collection and recycling.

|  |  |                          |                               |
|--|--|--------------------------|-------------------------------|
| circulating oil  | hydraulic fluid                                      | polyolester fluids       | turbine oil                   |
| compressor oil   | marine engine oil for vessels operating domestically | power steering fluid     | vegetable oil for lubrication |
| crankcase oil (petroleum or synthetic)                               | mineral heat transfer fluid                          | refrigeration system oil |                               |
| electrical insulating oil ( <b>Except for QC, NB, PE, NL et NS</b> ) | natural gas compressor oil not consumed in use       | re-refined oil           |                               |
| engine oil   | paper machine oil                                    | synthetic crankcase oil  |                               |
| gear oil   | petroleum crankcase oil                              | transmission fluid       |                               |

***Oil Container** only (for container sizes of 50 litres or less in BC, MB, SK, QC, NB, PE, NL and NS and 30 litres or less in AB)*

Fluid is not EHC applicable since it is consumed in use and not available for collection and recycling.

|                                   |                                     |  |   |
|-----------------------------------|-------------------------------------|--|---|
| 2-cycle engine oil                | dripless lube                       | metal working oil                          | saw guide oil   |
| agricultural spray oil            | emulsified oil                      | natural gas compressor oil consumed in use | silicone lubricant                                      |
| anti-seize lubricant              | food grade white mineral oil        | pneumatic system oil                       | textile oil   |
| chain oil                         | form release oil                    | process oil                                | wiring pulling lubricant (petroleum or vegetable based) |
| conveyor lube                     | gasoline / 2-cycle engine oil mixes | quenching oil                              |   |
| dedusting oil                     | machine tool and slideway lubricant | rock drill oil                             |   |
| drawing, stamping and shaping oil | marine cylinder oil                 | rustproof oil                              |   |

#### **Oil Filters**

|   |                               |                                      |   |
|---|-------------------------------|--------------------------------------|---|
| spin-on or element style filter that is used in hydraulic, transmission or internal combustion engine applications including diesel fuel filter |                               |                                      |   |
| coolant filter  | household furnace fuel filter | plastic / paper element style filter | sump type automatic transmission filter |
| diesel fuel filter used at retail & commercial pump islands   | oil / air separator filter    | storage tank diesel fuel filter      |   |

**Automotive Antifreeze Fluid and Container** (for container sizes of 50 litres or less)

for **BCUOMA, MARRC, SARRC, SOGHU, UOMA NB, UOMA PE, UOMA NL and UOMA NS** only

|                                |                                 |
|--------------------------------|---------------------------------|
| ethylene glycol engine coolant | propylene glycol engine coolant |
|--------------------------------|---------------------------------|

**Diesel Exhaust Fluid Container** (for container sizes of 50 litres or less)

for **MARRC, SARRC and UOMA NS** only

|                            |
|----------------------------|
| diesel exhaust fluid (DEF) |
|----------------------------|

**Aerosol Container**

for **SOGHU, UOMA NB, UOMA PE, UOMA NL, UOMA NS** only

|                             |     |                         |    |
|-----------------------------|-----|-------------------------|----|
| aerosol propelled lubricant | yes | aerosol grease          | no |
| aerosol brake cleaner       | yes | aerosol paint           | no |
|                             |     | aerosol solvent/cleaner | no |

**EHC is NOT Applicable on the following Products**

**Neither Oil Product nor Container**

|  |   |  |                              |
|--|---|--|------------------------------|
| 3-in-1 household oil   | export oil sales  | oil treatment                                      | urethane coating             |
| aerosol propelled lubricant ( <b>Except for QC, NB, PE, NL, NS</b> ) | glycol-based heat transfer fluid                        | penetrating oil                                    | water glycol hydraulic fluid |
| base oil, including re-refined base oil                              | grease  | phosphate ester hydraulic fluid                    | wax                          |
| brake fluid  | gun oil   | polyglycol synthetic compressor oil                | windshield washer fluid      |
| cleaning/flushing fluids for motors/equipment                        | heating furnace oil                                     | propylene glycol heat transfer fluid               | winter start fluid           |
| cooking oil  | hydraulic jack oil                                      | sewing machine oil                                 |                              |
| diesel fuel treatment  | hydraulic oil dye                                       | silicone heat transfer fluid                       |                              |
| electrical insulating oil ( <b>QC, NB, PE, NL, NS only</b> )         | kerosene  | solvents   |                              |
| ethylene glycol heat transfer fluid                                  | marine engine oil for vessels operating internationally | synthetic aromatic hydrocarbon heat transfer fluid |                              |
|  | oil additive  | undercoating                                       |                              |

**nor Filters**

|                              |                              |
|------------------------------|------------------------------|
| air filter                   | household furnace air filter |
| crankcase ventilation filter | sock-type filter             |
| gasoline fuel filter         |                              |

**Neither Antifreeze Product nor Container**

|                           |                         |
|---------------------------|-------------------------|
| aircraft de-icing fluid   | lock de-icing fluid     |
| antifreeze plumbing fluid | windshield washer fluid |
| fuel line de-icing fluid  |                         |
