To all SOGHU registered collectors

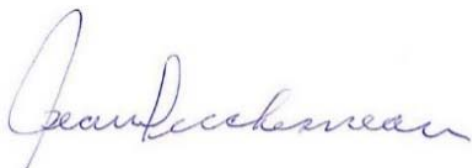

Please take note that with Quebec's economy progressively getting back to normal, the **temporary financial support program for collectors**, which aimed to compensate for the decrease in recoverable volumes caused by the current economic downturn, **will come to an end on July 31, 2020.**

Collections from July 31, 2020 will be the last collections eligible for the additional 25% granted through this program.

If you have any questions, do not hesitate to communicate with us.
